MY FIRST SUMMIT

The "Talbahn Goldeck" will take you quickly and easily to the mountain station at 1,780 m. From here a broad forest path which is suitable for buggies leads to the Goldeck summit at 2,142 m. Nothing to stop you getting to the top of your first mountain!

The circular hiking paths are also perfect for Nordic walking and trail running.

LAKE GOLDECK

The lake route starts from the "Talbahn Goldeck" mountain station and is a circular path suitable for buggies.

Enjoy the breath-taking panorama over the town of Spittal an der Drau and the Lake Millstätter See region [mountain and lakes viewpoint] as well as the Liesertal and Maltatal valleys and the Mölltal valley. The lake is a lovely place to sit and rest. On the way back, you can enjoy the sunshine and refreshments on the terrace of the SEEHÜTTE Goldeck.

MUSHROOM WALK

From the "Talbahn Goldeck", a beautiful hiking trail (no. 31) leads to Goldeck village. From there, head to the lake, the perfect place for a rest in a beautiful natural setting. Refreshments are served at the SEEHÜTTE Goldeck right next to the lake, complete with stunning views across the Möll, Drau, and Lieser valleys.

The mushroom trail "Pilzwanderweg" is lined with information boards on the wild mushrooms that may be found in the area. Depending on the time of year, you may spot a few of them along the way

The 2G [2 peaks] walk

Take the "Talbahn Goldeck" cable car to the top station at 1,780 m. From here, a natural rising path (No. 31) takes you over the Kälberriegel to the Goldeck summit at 2,142 m. Along the level path (No. 210) with its wonderful panoramic views you reach the second summit cross, the Martenock at 2,130 m. Via the Goldeckhütte and the village of Goldeck you get back to the mountain station again via path nos. 210 and 31. During the walk there is a special "mountain and lake" viewpoint [1] and a photo frame [3] near the summit.
